We accept the following debit and credit cards:

- Visa Delta
- Visa Electron

For legal reasons, we cannot accept payment from credit cards where the cardholder is a US resident.

On all credit card transactions over £ 5,000, a 1.5% charge may be made to cover charges from the credit card provider.

Your credit card issuer might treat deposits placed by your card as a 'Cash Advance' (and charge you according to their tariffs). Unfortunately interactive markets is not privy to this information and will not be able to tell if this is the case.

In accordance with our 'Anti-Money Laundering' procedures, we will refund/remit funds back to the card of source. In some circumstances, this may not be possible and as an alternative we will pay/remit funds to the bank account nominated on your funds request form.
